### Summary

Media and Production student at RP meticulous workflow, empathetic mindset and strong interest in visual communication and content creation. I am seeking an internship opportunity as a Content Marketer.

### Profile

I am a self-motivated, organized and empathetic communicator seeking an internship as a Content Marketer. I have taken up opportunities to create engaging digital content for both my school's and my own use, which have honed my skills in graphic design, photography, UI designs and social media marketing. I am exciting to learn more on my internship, and to contribute positively to the company.
