

RYAN OH

Content Marketer

PROFILE

INFJ personality type

Self-motivated, organised and empathetic communicator seeking an internship as a **Content Marketer**. Have taken up multiple opportunities to create engaging digital content for both my school's and my own use, which honed my skills in graphic design, photography, UI designs and social media marketing. Excited to learn more on my internship, and to contribute positively to the company.

See more of my portfolio, especially on **Instagram**.
